HOUSE RESOLUTION 949

Offered by Representative McGuire:

WHEREAS, Throughout our history, America has welcomed millions of Irish immigrants to its shores, and those proud people arrived seeking a better life for themselves, their families, and future generations; and

WHEREAS, Many courageous individuals came during the terrible years of Ireland's Great Famine in the middle of the nineteenth century, and their road to prosperity was not easy; many faced significant obstacles, including discrimination and poverty; despite these challenges, Irish Americans have risen to success in every sector of our society; and

WHEREAS, Many of the Irish immigrants migrated to Illinois and have played major roles in our State's commerce, industry, arts and sciences, and all levels of public and governmental service; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that March of 2006 is designated as Irish-American Heritage Month, and all Illinoisans are urged to observe this month by learning about and commemorating the contributions of Irish Americans to our nation, our State, and our local communities; and be it further

RESOLVED, That we urge the Governor of Illinois to issue a suitable proclamation recognizing the contributions of Irish Americans to Illinois and to proclaim March of 2006 as Irish-American Heritage Month.

HOUSE RESOLUTION 951

Offered by Representative Chapa LaVia:

WHEREAS, Presently, only half a percent of energy in Illinois comes from renewable resources, while a staggering 45% comes from coal; and

WHEREAS, Coal in the State of Illinois is high in sulfur, which causes a higher amount of air pollution, in turn causing a problem for asthma sufferers and for people with health related breathing problems; and

WHEREAS, As evidenced by recent events in the coal mines of West Virginia, the risk to coal miners in the State of Illinois is greater than ever; and

WHEREAS, Fossil fuels such as coal are going to continue to be more expensive to convert to energy, will continue to produce adverse effects on the environment and the health of our citizens, and will someday run out; and

WHEREAS, Solar power and wind power are both renewable energy, and are safe to both the environment and people; and

WHEREAS, Renewable energy is a long-term solution to the energy crisis in the United States; and

WHEREAS, With rising energy costs affecting the citizens of the State of Illinois, renewable energy is a cost-efficient alternative to coal and other fossil fuels; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois Commerce Commission to propose

at least three all new programs that will increase the percentage of the energy that is created in the State of Illinois from renewable wind, solar, and hydroelectric resources and report these proposals to the Governor and General Assembly by January 1, 2007; and be it further

RESOLVED, That suitable copies of this resolution be presented to the Director of the Illinois Commerce Commission and Governor Blagojevich.

HOUSE RESOLUTION 952

Offered by Representative Moffitt:

WHEREAS, It is appropriate to honor members of the U.S. Armed Forces who willingly and faithfully serve and as result, pay the ultimate sacrifice; and

WHEREAS, Sergeant First Class Kyle B. Wehrly was a member of Battery C of the 123rd Artillery Unit the Illinois National Guard based out of Galesburg, but was deployed with Battery B, based out of Macomb; he was serving in in Ashraf, Iraq, when an improvised explosive device detonated near his vehicle during patrol operations; he died on November 3, 2005; and

WHEREAS, He was born on October 4, 1977, in Nashville, Illinois, to Reverend Peter Wehrly and Nita Cross; he was a 1996 midterm graduate of Galesburg High School, where he is remembered for his sense of humor, the way he looked out for his brother, and his willingness to accept responsibility; he joined the Illinois National Guard during his junior year on September 28, 1995; and

WHEREAS, He worked at Lowe's and had also worked for Hansen Lumber and Carter Lumber; he officiated soccer and played slow-pitch softball; he loved the Cubs; and

WHEREAS, He was awarded the Bronze Star and the Purple Heart among many other citations; and

WHEREAS, The sacrifice Sergeant Wehrly made is one that should be remembered; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we strongly urge the Illinois National Guard to name the National Guard Readiness Facility under construction in Galesburg in his honor; and be it further

RESOLVED, That copies of this resolution be delivered to the Illinois National Guard and to the family of Sergeant First Class Wehrly.

HOUSE JOINT RESOLUTION 103

Offered by Representative Mendoza:

WHEREAS, On December 16th 2005, the United States House of Representatives passed HR4437, a bill that would have drastic consequences for nearly all immigrants to this country and their families; and

WHEREAS, HR4437, which passed the House by a vote of 239 to 182, would require the mandatory detention of all immigrants without status until deportation, which could result in vulnerable groups, such as children and torture survivors, being jailed with hardened criminals; and

WHEREAS, HR4437 would make "unlawful presence" a crime and an aggravated felony for immigration purposes, barring undocumented immigrants from any future legal status and authorizing local law enforcement to arrest these immigrants; and

WHEREAS, HR4437 denies basic due process protections to legal immigrants, refugees, and asylum-seekers such as by authorizing the Department of Homeland Security and the Department of Justice to deny an immigrant legal benefits for lack of good moral character based on a "discretionary finding or other reasons"; and

WHEREAS, HR4437 creates strong criminal penalties for any person or organization that assists persons without documentation in the United States if the assistance is given "in reckless disregard" of whether that person is without legal status, but does not exempt emergency situations or situations in which a humanitarian organization provides basic needs assistance; and

WHEREAS, This punitive legislation would do little to solve immigration problems in this country and in fact would make them worse by driving illegal immigration further underground; and

WHEREAS, It is expected that the United States Senate will consider this mean-spirited and counterproductive legislation in March of this year; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL

ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we, the Governor, and members of the Illinois General Assembly do hereby urge the United States Senate to defeat HR4437 when that body considers the legislation later this year, and do hereby urge the President of the United States to veto such legislation if it is in fact approved by the Senate; and be it further

RESOLVED, That copies of this resolution be delivered to the President of the United States, the President pro tempore of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Illinois Congressional delegation.

(3) the phone number of the Department or delegate agency where customers can obtain additional information.

(410 ILCS 45/6.3 new)

Sec. 6.3. Information provided by the Department of Healthcare and Family Services.

(a) The Director of Healthcare and Family Services shall provide, upon request of the Director of Public Health, an electronic record of all children less than 7 years of age who receive Medicaid, Kidcare, or other health care benefits from the Department of Healthcare and Family Services. The records shall include a history of claims filed for each child and the health care provider who rendered the services. On at least an annual basis, the Director of Public Health shall match the records provided by the Department of

Healthcare and Family Services with the records of children receiving lead tests, as reported to the Department under Section 7 of this Act.

(b) The Director shall prepare a report documenting the frequency of lead testing and elevated blood and lead levels among children receiving benefits from the Department of Healthcare and Family Services. On at least an annual basis, the Director shall prepare and deliver a report to each health care provider who has rendered services to children receiving benefits from the Department of Healthcare and Family Services. The report shall contain the aggregate number of children receiving benefits from the Department of Healthcare and Family Services to whom the provider has provided services, the number and percentage of children tested for lead poisoning, and the number and percentage of children having an elevated lead level. The Department of Public Health may exclude health care providers who provide specialized or emergency medical care and who are unlikely to be the primary medical care provider for a child. Sec. 7.1. Child care facilities must require lead blood level screening for admission. By January 1, 1993, each day care center, day care home, preschool, nursery school, kindergarten, or other child care facility, licensed or approved by the State, including such programs operated by a public school district, shall include a requirement that each parent or legal guardian of a child between the ages of 6 months through 6 years provide a statement from a physician or health care provider that the child has been risk assessed, as provided in Section 6.2, if the child resides in an area defined as low risk by the Department, or screened for lead poisoning as provided for in Section 6.2, if the child resides in an area defined as high risk. This statement shall be provided prior to admission and subsequently in conjunction with required physical examinations.

Nothing in this Section shall be construed to require any child to undergo a lead blood level screening or test whose parent or guardian objects on the grounds that the screening or test conflicts with his or her religious beliefs.

Child care facilities that participate in the Illinois Child Care Assistance Program (CCAP) shall annually send or deliver to the parents or guardians of children enrolled in the facility's care an informational pamphlet regarding awareness of lead paint poisoning. Pamphlets shall be produced and made available by the Department and shall be downloadable from the Department's Internet website. The Department of Human Services and the Department of Public Health shall assist in the distribution of the pamphlet.

Sec. 8. Inspection of buildings occupied by a person screening positive. A representative of the Department, or delegate agency, may, after notification that an occupant of the dwelling unit in question is found to have a blood lead value of the value set forth in Section 7, upon presentation of the appropriate credentials to the owner, occupant, or his representative, inspect dwelling or dwelling units, at reasonable times, for the purposes of ascertaining that all surfaces accessible to children are intact and in good repair, and for purposes of ascertaining the existence of lead bearing substances. Such representative of the Department, or delegate agency, may remove samples or objects necessary for laboratory analysis, in the determination of the presence of lead-bearing substances in the designated dwelling or dwelling unit.

If a building is occupied by a child of less than 3 years of age screening positive the Department, in addition to all other requirements of this Section, must inspect the dwelling unit and common place area of the child screening positive. The Department may inspect more units as it deems necessary.

Following the inspection, the Department or its delegate agency shall:

(1) Prepare an inspection report which shall:

(A) State the address of the dwelling unit.

(B) Describe the scope of the inspection, the inspection procedures used, and the method of ascertaining the existence of a lead bearing substance in the dwelling unit.

(C) State whether any lead bearing substances were found in the dwelling unit.

(D) Describe the nature, extent, and location of any lead bearing substance that is found.

(E) State either that a lead hazard does exist or that a lead hazard does not exist.

If a lead hazard does exist, the report shall describe the source, nature and location of the lead hazard. The existence of intact lead paint does not alone constitute a lead hazard for the purposes of this Section.

(F) Give the name of the person who conducted the inspection and the person to contact

for further information regarding the inspection and the requirements of this Act.

(2) Mail or otherwise provide a copy of the inspection report to the property owner and to the occupants of the dwelling unit. If a lead bearing substance is found, at the time of providing a copy of the inspection report, the Department or its delegate agency shall attach an informational brochure.

(410 ILCS 45/9) (from Ch. 111 1/2, par. 1309)

Sec. 9. Procedures upon determination of lead hazard.

(1) If the inspection report identifies a lead hazard, the Department or delegate agency shall serve a mitigation notice on the property owner that the owner is required to mitigate the lead hazard, and shall indicate the time period specified in this Section in which the owner must complete the mitigation. The notice shall include information describing mitigation activities which meet the requirements of this Act.

(2) If the inspection report identifies a lead hazard, the owner shall mitigate the lead hazard in a manner prescribed by the Department and within the time limit prescribed by this Section. The Department shall adopt rules regarding acceptable methods of mitigating a lead hazard. If the source of the lead hazard identified in the inspection report is lead paint or any other leaded surface coating, the lead hazard shall be deemed to have been mitigated if:

(A) The surface identified as the source of the hazard is no longer in a condition that produces a hazardous level of leaded chips, flakes, dust or any other form of leaded substance, that can be ingested or inhaled by humans, or;

(B) If the surface identified as the source of the hazard is accessible to children and could reasonably be chewed on by children, the surface coating is either removed or covered, the surface is removed, or the access to the leaded surface by children is otherwise prevented as prescribed by the Department.

(3) Mitigation activities which involve the destruction or disturbance of any leaded surface shall be conducted by a licensed lead abatement contractor using licensed lead abatement workers. The Department may prescribe by rule mitigation activities that may be performed without a licensed contractor or worker. The Department may, on a case by case basis, grant a waiver of the requirement to use licensed lead abatement contractors and workers, provided the waiver does not endanger the health or safety of humans.

(4) The Department shall establish procedures whereby an owner, after receiving a mitigation notice under this Section, may submit a mitigation plan to the Department or delegate agency for review and approval.

(5) When a mitigation notice is issued for a dwelling unit inspected as a result of an elevated blood lead level in a pregnant woman or a child, or if the dwelling unit is occupied by a child under 6 years of age or a pregnant woman, the owner shall mitigate the hazard within 30 days of receiving the notice; otherwise, the owner shall complete the mitigation within 90 days.

(6) An owner may apply to the Department or its delegate agency for an extension of the deadline for mitigation. If the Department or its delegate agency determines that the owner is making substantial progress toward mitigation, or that the failure to meet the deadline is the result of a shortage of licensed abatement contractors or workers, or that the failure to meet the deadline is because the owner is awaiting the review and approval of a mitigation plan, the Department or delegate agency may grant an extension of the deadline.

(7) The Department or its delegate agency may, after the deadline set for completion of mitigation, conduct a follow-up inspection of any dwelling for which a mitigation notice was issued for the purpose of determining whether the mitigation actions required have been completed and whether the activities have sufficiently mitigated the lead hazard as provided under this Section. The Department or its delegate agency may conduct a follow-up inspection upon the request of an owner or resident. If, upon completing the follow-up inspection, the Department or its delegate agency finds that the lead hazard for which the mitigation notice was issued is not mitigated, the Department or its delegate agency shall serve the owner with notice of the deficiency and a mitigation order. The order shall indicate the specific actions the owner must take to comply with the mitigation requirements of this Act, which may include abatement if abatement is the sole means by which the lead hazard can be mitigated. The order shall also include the date by which the mitigation shall be completed. If, upon completing the follow-up inspection, the Department or delegate agency finds that the mitigation requirements of this Act have been satisfied, the Department or delegate agency shall provide the owner with a certificate of compliance stating that the required mitigation has been accomplished.

(8) When mitigation notices are issued for 2 or more dwelling units in a building within a 5-year time period, the Department may inspect all units and common areas in the building or require the building owner to hire a private inspector to perform the inspection. All lead hazards must be mitigated in a

reasonable time frame, as determined by rules adopted by the Department by December 31, 2006.

(410 ILCS 45/9.2 new)

Sec. 9.2. Owner's obligation to post notice. The owner of a dwelling unit or residential building who has received a mitigation notice under Section 9 of this Act shall post notices in common areas of the building specifying the identified lead hazards. The posted notices, drafted by the Department and sent to the property owner with the notification of lead hazards, shall indicate the following:

(1) that a unit or units in the building have been found to have lead hazards;

(2) that other units in the building may have lead hazards;

(3) that the Department recommends that children 6 years of age or younger receive a blood lead screening; and

(4) where to seek further information.

(410 ILCS 45/10.1 new)

Sec. 10.1. Notice of violations recorded with deeds. If the owner of a property has failed to complete mitigation activities required by the Department or delegate agency within 90 days after the issuance of a mitigation notice, the Department or delegate agency shall cause a Notice of Discovery of Lead Hazards to be recorded at the office of the Recorder of Deeds in the county in which the property is located. The Notice shall, at a minimum, consist of the information required by the Recorder of Deeds to record the Notice, the location of the dwelling unit where the hazard is located, and a statement that the Department or delegate agency identified lead hazards in violation of this Act. Upon the issuance of a certificate of compliance, the Department or delegate agency shall provide the property owner with a Release of Notice of Discovery of Lead Hazards that, at a minimum, shall consist of the information required by the Recorder of Deeds to record the Release and a statement that the previously identified lead hazards have been mitigated to the satisfaction of the Department or delegate agency. The owner may cause this Release to be recorded at the office of the Recorder of Deeds in the county in which the property is located. The Release shall release only the Notice of Discovery of Lead Hazards and not any other liens or claims separately recorded by the Department or delegate agency.

(410 ILCS 45/12) (from Ch. 111 1/2, par. 1312)

Sec. 12. Violations of Act.

(a) Violation of any Section of this Act other than Section 7 shall be punishable as a Class A misdemeanor.

(b) In cases where a person is found to have mislabeled, possessed, offered for sale or transfer, sold or transferred, or given away lead-bearing substances, a representative of the Department shall confiscate the lead-bearing substances and retain the substances until they are shown to be in compliance with this Act.

(c) In addition to any other penalty provided under this Act, the court in an action brought under subsection (e) may impose upon any person who violates or does not comply with a notice of deficiency and a mitigation order issued under subsection (7) of Section 9 of this Act or who fails to comply with subsection (3) or subsection (5) of Section 9 of this Act a civil penalty not exceeding \$2,500 for each violation, plus \$250 for each day that the violation continues.

Any civil penalties collected in a court proceeding shall be deposited into a delegated county lead poisoning screening, prevention, and abatement fund or, if no delegated county or lead poisoning screening, prevention, and abatement fund exists, into the Lead Poisoning Screening, Prevention, and Abatement Fund established under Section 7.2.

(d) Whenever the Department finds that an emergency exists that requires immediate action to protect the health of children under this Act, it may, without administrative procedure or notice, cause an action to be brought by the Attorney General or the State's Attorney of the county in which a violation has occurred for a temporary restraining order or a preliminary injunction to require such action as is required to meet the emergency and protect the health of children.

(e) The State's Attorney of the county in which a violation occurs or the Attorney General may bring an action for the enforcement of this Act and the rules adopted and orders issued under this Act, in the name of the People of the State of Illinois, and may, in addition to other remedies provided in this Act, bring an action for a temporary restraining order or preliminary injunction as described in subsection (d) or an injunction to restrain any actual or threatened violation or to impose or collect a civil penalty for any violation.

(b) The Attorney General and State's Attorney offices shall establish a continuing legal education program for attorneys and judges concerning enforcement of this Act and related laws.

(c) The Attorney General and State's Attorney offices shall report to the General Assembly annually the number of lead poisoning cases that have been referred for enforcement and the disposition of those cases.

Sec. 7.1. Child care facilities must require lead blood level screening for admission. By January 1, 1993, each day care center, day care home, preschool, nursery school, kindergarten, or other child care facility, licensed or approved by the State, including such programs operated by a public school district, shall include a requirement that each parent or legal guardian of a child between the ages of 6 months through 6 years provide a statement from a physician or health care provider that the child has been risk assessed, as provided in Section 6.2, if the child resides in an area defined as low risk by the Department, or screened for lead poisoning as provided for in Section 6.2, if the child resides in an area defined as high risk. This statement shall be provided prior to admission and subsequently in conjunction with required physical examinations.

Nothing in this Section shall be construed to require any child to undergo a lead blood level screening or test whose parent or guardian objects on the grounds that the screening or test conflicts with his or her religious beliefs.

Child care facilities that participate in the Illinois Child Care Assistance Program (CCAP) shall annually send or deliver to the parents or guardians of children enrolled in the facility's care an informational pamphlet regarding awareness of lead paint poisoning. Pamphlets shall be produced and made available by the Department and shall be downloadable from the Department's Internet website. The Department of Human Services and the Department of Public Health shall assist in the distribution of the pamphlet.

(410 ILCS 45/8) (from Ch. 111 1/2, par. 1308)

Sec. 8. Inspection of buildings occupied by a person screening positive. A representative of the Department, or delegate agency, may, after notification that an occupant of the dwelling unit in question is found to have a blood lead value of the value set forth in Section 7, upon presentation of the appropriate credentials to the owner, occupant, or his representative, inspect dwelling or dwelling units, at reasonable times, for the purposes of ascertaining that all surfaces accessible to children are intact and in good repair, and for purposes of ascertaining the existence of lead bearing substances. Such representative of the Department, or delegate agency, may remove samples or objects necessary for laboratory analysis, in the determination of the presence of lead-bearing substances in the designated dwelling or dwelling unit.

If a building is occupied by a child of less than 3 years of age screening positive the Department, in addition to all other requirements of this Section, must inspect the dwelling unit and common place area of the child screening positive.

The Department shall inspect units where (i) children under the age of 6 reside, at the request of a parent or guardian of the child or (ii) a pregnant woman resides, at the pregnant woman's request.

Following the inspection, the Department or its delegate agency shall:

(1) Prepare an inspection report which shall:

(A) State the address of the dwelling unit.

(B) Describe the scope of the inspection, the inspection procedures used, and the method of ascertaining the existence of a lead bearing substance in the dwelling unit.

(C) State whether any lead bearing substances were found in the dwelling unit.

(D) Describe the nature, extent, and location of any lead bearing substance that is found.

(E) State either that a lead hazard does exist or that a lead hazard does not exist.

If a lead hazard does exist, the report shall describe the source, nature and location of the lead hazard. The existence of intact lead paint does not alone constitute a lead hazard for the purposes of this Section.

(F) Give the name of the person who conducted the inspection and the person to contact for further information regarding the inspection and the requirements of this Act.

(2) Mail or otherwise provide a copy of the inspection report to the property owner and to the occupants of the dwelling unit. If a lead bearing substance is found, at the time of providing a copy of the inspection report, the Department or its delegate agency shall attach an informational brochure.

(410 ILCS 45/9) (from Ch. 111 1/2, par. 1309)

Sec. 9. Procedures upon determination of lead hazard.

(1) If the inspection report identifies a lead hazard, the Department or delegate agency shall serve a mitigation notice on the property owner that the owner is required to mitigate the lead hazard, and shall indicate the time period specified in this Section in which the owner must complete the mitigation. The notice shall include information describing mitigation activities which meet the requirements of this Act.

(2) If the inspection report identifies a lead hazard, the owner shall mitigate the lead hazard in a manner prescribed by the Department and within the time limit prescribed by this Section. The Department shall adopt rules regarding acceptable methods of mitigating a lead hazard. If the source of the lead hazard identified in the inspection report is lead paint or any other leaded surface coating, the lead hazard shall be deemed to have been mitigated if:

(A) The surface identified as the source of the hazard is no longer in a condition that produces a hazardous level of leaded chips, flakes, dust or any other form of leaded substance, that can be ingested or inhaled by humans, or;

(B) If the surface identified as the source of the hazard is accessible to children and could reasonably be chewed on by children, the surface coating is either removed or covered, the surface is removed, or the access to the leaded surface by children is otherwise prevented as prescribed by the Department.

(3) Mitigation activities which involve the destruction or disturbance of any leaded surface shall be conducted by a licensed lead abatement contractor using licensed lead abatement workers. The Department may prescribe by rule mitigation activities that may be performed without a licensed contractor or worker. The Department may, on a case by case basis, grant a waiver of the requirement to use licensed lead abatement contractors and workers, provided the waiver does not endanger the health or safety of humans.

(4) The Department shall establish procedures whereby an owner, after receiving a mitigation notice under this Section, may submit a mitigation plan to the Department or delegate agency for review and approval.

(5) When a mitigation notice is issued for a dwelling unit inspected as a result of an elevated blood lead

level in a pregnant woman or a child, or if the dwelling unit is occupied by a child under 6 years of age or a pregnant woman, the owner shall mitigate the hazard within 30 days of receiving the notice; otherwise, the owner shall complete the mitigation within 90 days.

(6) An owner may apply to the Department or its delegate agency for an extension of the deadline for mitigation. If the Department or its delegate agency determines that the owner is making substantial progress toward mitigation, or that the failure to meet the deadline is the result of a shortage of licensed abatement contractors or workers, or that the failure to meet the deadline is because the owner is awaiting the review and approval of a mitigation plan, the Department or delegate agency may grant an extension of the deadline.

(7) The Department or its delegate agency may, after the deadline set for completion of mitigation, conduct a follow-up inspection of any dwelling for which a mitigation notice was issued for the purpose of determining whether the mitigation actions required have been completed and whether the activities have sufficiently mitigated the lead hazard as provided under this Section. The Department or its delegate agency may conduct a follow-up inspection upon the request of an owner or resident. If, upon completing the follow-up inspection, the Department or its delegate agency finds that the lead hazard for which the mitigation notice was issued is not mitigated, the Department or its delegate agency shall serve the owner with notice of the deficiency and a mitigation order. The order shall indicate the specific actions the owner must take to comply with the mitigation requirements of this Act, which may include abatement if abatement is the sole means by which the lead hazard can be mitigated. The order shall also include the date by which the mitigation shall be completed. If, upon completing the follow-up inspection, the Department or delegate agency finds that the mitigation requirements of this Act have been satisfied, the Department or delegate agency shall provide the owner with a certificate of compliance stating that the required mitigation has been accomplished.

(8) When mitigation notices are issued for 2 or more dwelling units in a building within a 5-year time period, the Department may inspect common areas in the building and shall inspect units where (i) children under the age of 6 reside, at the request of a parent or guardian of the child or (ii) a pregnant woman resides, at the pregnant woman's request. All lead hazards must be mitigated in a reasonable time frame, as determined by rules adopted by the Department by December 31, 2006.

(410 ILCS 45/9.2 new)

Sec. 9.2. Owner's obligation to post notice. The owner of a dwelling unit or residential building who has received a mitigation notice under Section 9 of this Act shall post notices in common areas of the building specifying the identified lead hazards. The posted notices, drafted by the Department and sent to the property owner with the notification of lead hazards, shall indicate the following:

(1) that a unit or units in the building have been found to have lead hazards;

(2) that other units in the building may have lead hazards;

(3) that the Department recommends that children 6 years of age or younger receive a blood lead screening; and

(4) where to seek further information.

Once the Department determines that a lead hazard has been mitigated, the owner may remove notices posted pursuant to this Section.

(410 ILCS 45/12) (from Ch. 111 1/2, par. 1312)

Sec. 12. Violations of Act.

(a) Violation of any Section of this Act other than Section 6.01 or Section 7 shall be punishable as a Class A misdemeanor. A violation of Section 6.01 shall be a petty offense.

(b) In cases where a person is found to have mislabeled, possessed, offered for sale or transfer, sold or transferred, or given away lead-bearing substances, a representative of the Department shall confiscate the lead-bearing substances and retain the substances until they are shown to be in compliance with this Act.

(c) In addition to any other penalty provided under this Act, the court in an action brought under subsection (e) may impose upon any person who violates or does not comply with a notice of deficiency and a mitigation order issued under subsection (7) of Section 9 of this Act or who fails to comply with subsection (3) or subsection (5) of Section 9 of this Act a civil penalty not exceeding \$2,500 for each violation, plus \$250 for each day that the violation continues.

Any civil penalties collected in a court proceeding shall be deposited into a delegated county lead poisoning screening, prevention, and abatement fund or, if no delegated county or lead poisoning screening, prevention, and abatement fund exists, into the Lead Poisoning Screening, Prevention, and Abatement Fund established under Section 7.2.

(d) Whenever the Department finds that an emergency exists that requires immediate action to protect the health of children under this Act, it may, without administrative procedure or notice, cause an action to be brought by the Attorney General or the State's Attorney of the county in which a violation has occurred for a temporary restraining order or a preliminary injunction to require such action as is required to meet the emergency and protect the health of children.

(e) The State's Attorney of the county in which a violation occurs or the Attorney General may bring an action for the enforcement of this Act and the rules adopted and orders issued under this Act, in the name of the People of the State of Illinois, and may, in addition to other remedies provided in this Act, bring an action for a temporary restraining order or preliminary injunction as described in subsection (d) or an injunction to restrain any actual or threatened violation or to impose or collect a civil penalty for any violation.

(410 ILCS 45/12.1 new)

Sec. 12.1. Attorney General and State's Attorney report to General Assembly. The Attorney General and State's Attorney offices shall report to the General Assembly annually the number of lead poisoning cases that have been referred by the Department for enforcement due to violations of this Act or for failure to comply with a notice of deficiency and mitigation order issued pursuant to subsection (7) of Section 9 of this Act.

HOUSE BILL 2150. Having been recalled on February 22, 2006, and held on the order of Second Reading, the same was again taken up.

Representative Soto offered the following amendment and moved its adoption.

AMENDMENT NO. 2. Amend House Bill 2150, AS AMENDED, immediately below the enacting clause by inserting the following:

"Section 3. The Illinois Public Aid Code is amended by changing Section 10-10 as follows:

(305 ILCS 5/10-10) (from Ch. 23, par. 10-10)

Sec. 10-10. Court enforcement; applicability also to persons who are not applicants or recipients. Except where the Illinois Department, by agreement, acts for the local governmental unit, as provided in Section 10-3.1, local governmental units shall refer to the State's Attorney or to the proper legal representative of the governmental unit, for judicial enforcement as herein provided, instances of non-support or insufficient support when the dependents are applicants or recipients under Article VI. The Child and Spouse Support Unit established by Section 10-3.1 may institute in behalf of the Illinois Department any actions under this Section for judicial enforcement of the support liability when the dependents are (a) applicants or recipients under Articles III, IV, V or VII; (b) applicants or recipients in a local governmental unit when the Illinois Department, by agreement, acts for the unit; or (c) non-applicants or non-recipients who are receiving child support enforcement services under this Article X, as provided in Section 10-1. Where the Child and Spouse Support Unit has exercised its option and discretion not to apply the provisions of Sections 10-3 through 10-8, the failure by the Unit to apply such provisions shall not be a bar to bringing an action under this Section.

Action shall be brought in the circuit court to obtain support, or for the recovery of aid granted during the period such support was not provided, or both for the obtainment of support and the recovery of the aid provided. Actions for the recovery of aid may be taken separately or they may be consolidated with actions to obtain support. Such actions may be brought in the name of the person or persons requiring support, or may be brought in the name of the Illinois Department or the local governmental unit, as the case requires, in behalf of such persons.

The court may enter such orders for the payment of moneys for the support of the person as may be just and equitable and may direct payment thereof for such period or periods of time as the circumstances require, including support for a period before the date the order for support is entered. The order may be entered against any or all of the defendant responsible relatives and may be based upon the proportionate ability of each to contribute to the person's support.

The Court shall determine the amount of child support (including child support for a period before the date the order for child support is entered) by using the guidelines and standards set forth in subsection (a)

of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act. For purposes of determining the amount of child support to be paid for a period before the date the order for child support is entered, there is a rebuttable presumption that the responsible relative's net income for that period was the same as his or her net income at the time the order is entered.

If (i) the responsible relative was properly served with a request for discovery of financial information relating to the responsible relative's ability to provide child support, (ii) the responsible relative failed to comply with the request, despite having been ordered to do so by the court, and (iii) the responsible relative is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the responsible relative's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address.

The Court shall determine the amount of maintenance using the standards set forth in Section 504 of the Illinois Marriage and Dissolution of Marriage Act.

Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. Any such judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

When an order is entered for the support of a minor, the court may provide therein for reasonable visitation of the minor by the person or persons who provided support pursuant to the order. Whoever willfully refuses to comply with such visitation order or willfully interferes with its enforcement may be declared in contempt of court and punished therefor.

Except where the local governmental unit has entered into an agreement with the Illinois Department for the Child and Spouse Support Unit to act for it, as provided in Section 10-3.1, support orders entered by the court in cases involving applicants or recipients under Article VI shall provide that payments thereunder be made directly to the local governmental unit. Orders for the support of all other applicants or recipients shall provide that payments thereunder be made directly to the Illinois Department. In accordance with federal law and regulations, the Illinois Department may continue to collect current maintenance payments or child support payments, or both, after those persons cease to receive public assistance and until termination of services under Article X. The Illinois Department shall pay the net amount collected to those persons after deducting any costs incurred in making the collection or any collection fee from the amount of any recovery made. In both cases the order shall permit the local governmental unit or the Illinois Department, as the case may be, to direct the responsible relative or relatives to make support payments directly to the needy person, or to some person or agency in his behalf, upon removal of the person from the public aid rolls or upon termination of services under Article X.

If the notice of support due issued pursuant to Section 10-7 directs that support payments be made directly to the needy person, or to some person or agency in his behalf, and the recipient is removed from the public aid rolls, court action may be taken against the responsible relative hereunder if he fails to furnish support in accordance with the terms of such notice.

Actions may also be brought under this Section in behalf of any person who is in need of support from responsible relatives, as defined in Section 2-11 of Article II who is not an applicant for or recipient of financial aid under this Code. In such instances, the State's Attorney of the county in which such person

resides shall bring action against the responsible relatives hereunder. If the Illinois Department, as authorized by Section 10-1, extends the child support enforcement services provided by this Article to spouses and dependent children who are not applicants or recipients under this Code, the Child and Spouse Support Unit established by Section 10-3.1 shall bring action against the responsible relatives hereunder and any support orders entered by the court in such cases shall provide that payments thereunder be made directly to the Illinois Department.

Whenever it is determined in a proceeding to establish or enforce a child support or maintenance obligation that the person owing a duty of support is unemployed, the court shall, unless the court makes specific findings about the person based upon clear and convincing evidence and determines that the person is incapable of gainful employment because of a physical or a mental condition, or a combination of conditions, ~~may~~ order the person to seek employment and report periodically to the court with a diary, listing or other memorandum of his or her efforts in accordance with such order. Additionally, the court may order the unemployed person to report to the Department of Employment Security for job search services or to make application with the local Job Training Partnership Act provider or an Illinois Employment and Training Center for participation in job search, training or work programs and where the duty of support is owed to a child receiving child support enforcement services under this Article X, the court may order the unemployed person to report to the Illinois Department for participation in job search, training or work programs established under Section 9-6 and Article IXA of this Code.

Whenever it is determined that a person owes past-due support for a child receiving assistance under this Code, the court shall order at the request of the Illinois Department:

(1) that the person pay the past-due support in accordance with a plan approved by the court; or

(2) if the person owing past-due support is unemployed, is subject to such a plan, and is not incapacitated, that the person participate in such job search, training, or work programs established under Section 9-6 and Article IXA of this Code as the court deems appropriate.

A determination under this Section shall not be administratively reviewable by the procedures specified in Sections 10-12, and 10-13 to 10-13.10. Any determination under these Sections, if made the basis of court action under this Section, shall not affect the de novo judicial determination required under this Section.

A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of this Code and shall be enforced by the court upon petition.

All orders for support, when entered or modified, shall include a provision requiring the non-custodial parent to notify the court and, in cases in which a party is receiving child support enforcement services under this Article X, the Illinois Department, within 7 days, (i) of the name, address, and telephone number of any new employer of the non-custodial parent, (ii) whether the non-custodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Code, which service shall be sufficient for purposes of due process.

An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date on which the child's high school graduation will occur or the date on which the child will attain the age of 19. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this paragraph shall be construed to prevent the court from modifying the order or terminating the order in the event the child is otherwise emancipated.

If there is an unpaid arrearage or delinquency (as those terms are defined in the Income Withholding for Support Act) equal to at least one month's support obligation on the termination date stated in the order for support or, if there is no termination date stated in the order, on the date the child attains the age of majority or is otherwise emancipated, then the periodic amount required to be paid for current support of that child immediately prior to that date shall automatically continue to be an obligation, not as current support but as periodic payment toward satisfaction of the unpaid arrearage or delinquency. That periodic payment shall

be in addition to any periodic payment previously required for satisfaction of the arrearage or delinquency. The total periodic amount to be paid toward satisfaction of the arrearage or delinquency may be enforced and collected by any method provided by law for the enforcement and collection of child support, including but not limited to income withholding under the Income Withholding for Support Act. Each order for support entered or modified on or after the effective date of this amendatory Act of the 93rd General Assembly must contain a statement notifying the parties of the requirements of this paragraph. Failure to include the statement in the order for support does not affect the validity of the order or the operation of the provisions of this paragraph with regard to the order. This paragraph shall not be construed to prevent or affect the establishment or modification of an order for the support of a minor child or the establishment or modification of an order for the support of a non-minor child or educational expenses under Section 513 of the Illinois Marriage and Dissolution of Marriage Act.

Payments under this Section to the Illinois Department pursuant to the Child Support Enforcement Program established by Title IV-D of the Social Security Act shall be paid into the Child Support Enforcement Trust Fund. All payments under this Section to the Illinois Department of Human Services shall be deposited in the DHS Recoveries Trust Fund. Disbursements from these funds shall be as provided in Sections 12-9.1 and 12-10.2 of this Code. Payments received by a local governmental unit shall be deposited in that unit's General Assistance Fund.

To the extent the provisions of this Section are inconsistent with the requirements pertaining to the State Disbursement Unit under Sections 10-10.4 and 10-26 of this Code, the requirements pertaining to the State Disbursement Unit shall apply.

(a) Whenever it is determined in a proceeding to establish or enforce a child support or maintenance obligation that the person owing a duty of support is unemployed, the court shall, unless the court makes specific findings about the person based upon clear and convincing evidence and determines that the person is incapable of gainful employment because of a physical or a mental condition, or a combination of conditions, ~~may~~ order the person to seek employment and report periodically to the court with a diary, listing or other memorandum of his or her efforts in accordance with such order. Additionally, the court may order the unemployed person to report to the Department of Employment Security for job search services or to make application with the local Job Training Partnership Act provider or an Illinois Employment and Training Center for participation in job search, training, or work programs and where the duty of support is owed to a child receiving child support enforcement services under Article X of the Illinois Public Aid Code the court may order the unemployed person to report to the ~~Illinois~~ Department of Healthcare and Family Services ~~Public Aid~~ for participation in job search, training, or work programs established under Section 9-6 and Article IXA of that Code.

HOUSE BILLS ON SECOND READING

HOUSE BILL 4758. Having been printed, was taken up and read by title a second time.

The following amendment was offered in the Committee on Housing and Urban Development, adopted and printed:

AMENDMENT NO. 1. Amend House Bill 4758 on page 4, line 25, after "Act" by inserting the following:

", in accordance with a court order entered pursuant to the Illinois Domestic Violence Act of 1986, Article 112A of the Code of Criminal Procedure of 1963, the Civil No Contact Order Act, or any other statute or provision of law providing relief to a victim of domestic or sexual violence".

Representative William Davis offered and withdrew Amendment No. 2.

Representative William Davis offered the following amendment and moved its adoption:

AMENDMENT NO. 3. Amend House Bill 4758, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Residential Tenant Protection Act.

Section 5. Findings. The General Assembly finds and declares the following:

(1) The Forcible Entry and Detainer provisions of the Code of Civil Procedure provide a legal method to remove tenants from a dwelling unit, if the tenant has failed to live up to the terms of the rental agreement.

(2) The Illinois Constitution states in Article I, Section 2, that "No person shall be deprived of life, liberty or property without due process of law nor be denied the equal protection of the laws".

(3) Residential lock-outs are a form of illegal eviction that runs contrary to the legislative intent of the Forcible Entry and Detainer provisions of the Code of Civil Procedure and to the intent of the Illinois Constitution and forces families out of their homes with virtually no advance notice or warning.

(4) Over 50% of the tenant-occupied housing in the State is protected by municipal ordinances that restrict lock-outs; however, municipalities that are not home rule units are unable to enact ordinances of that type.

(5) Despite current statutory and constitutional prohibitions, residential lock-outs occur at an alarmingly frequent rate, with one in 7 low-income tenants outside the City of Chicago experiencing a residential lock-out at some time in his or her life.

(6) Residential lock-outs are a major cause of homelessness for Illinois families.

(7) Current Illinois law fails to empower local police to act to protect tenants when made aware of a residential lock-out.

(8) Residential lock-outs take many forms that were not fully anticipated in the Forcible Entry and Detainer provisions of the Code of Civil Procedure, including utility shut-offs and threats of violence.

(9) A threat of a residential lock-out made to a tenant makes the tenant's dwelling unit uninhabitable in a practical sense; however, these threats have not been treated previously as a residential lock-out under Illinois law.

(10) Residential lock-outs put an unnecessary strain on the judicial system through the need to issue emergency orders in appropriate circumstances.

(11) The State of Illinois has a housing plan that states the need to put in place policies that prevent homelessness.

Section 10. Purposes.

(a) This Act shall be liberally construed and applied to promote its underlying purposes and policies.

(b) The underlying purposes and policies of this Act are:

(1) to ensure that the Forcible Entry and Detainer provisions of the Code of Civil Procedure are the only means by which a tenant can be evicted; and

(2) to provide a remedy for victims of unlawful residential lock-outs.

Section 15. Definitions. As used in this Act:

"Landlord" and "tenant" have the meanings given to those terms in the Rental Property Utility Service Act.

"Dwelling unit" has the meaning given to the term "single dwelling unit" in the Dwelling Structure Contract Act.

"Dwelling structure" has the meaning given to that term in the Dwelling Structure Contract Act.

"Abandonment" means that circumstance when all tenants have been absent from the dwelling unit for a period of 21 days or for one rental period, whichever is greater, the tenants have removed their personal property from the dwelling unit and dwelling structure, and the rent for the period is unpaid.

"Lock-out" means the ouster or dispossession of a tenant by a landlord without the lawful authority to do so.

"Residential lock-out" means the ouster or dispossession of a tenant by a landlord from the residential premises occupied by the tenant, without the lawful authority to perform the ouster or dispossession.

Section 20. Residential lock-out.

(a) Residential lock-out. It is unlawful for any landlord or any person acting at the direction of a landlord to knowingly perform a residential lock-out, or to threaten or attempt to perform a residential lock-out, of any residential tenant from the tenant's dwelling unit. The following acts by a landlord concerning a tenant constitute a residential lock-out:

(1) incapacitating, changing, adding, or removing any lock or latching device to any entrance or exit to the dwelling unit or dwelling structure to which the tenant is entitled to have access;

(2) blocking or rendering useless any entrance or exit into the dwelling unit or dwelling structure including, but not limited to, removing any door or window from the dwelling unit or

dwelling structure;

(3) interfering with services to the dwelling unit or dwelling structure including, but not limited to, the failure of the landlord or the agent of the landlord to pay, pursuant to a written or verbal agreement with that tenant, for services to the dwelling unit or dwelling structure including, but not limited to, the services of electricity, gas, hot or cold water, and heat;

(4) removing personal property of a tenant from the tenant's dwelling unit or the dwelling structure;

(5) removing or incapacitating appliances or fixtures that are (i) located in the dwelling unit pursuant to an agreement between the landlord and the tenant and (ii) necessary to make the unit habitable;

(6) using force, violence, or sexual harassment against a tenant;

(7) acting or failing to act in a manner that renders the dwelling unit, the dwelling structure, or any part of the dwelling unit or dwelling structure inaccessible or uninhabitable; or

(8) acting or failing to act in a manner that renders inaccessible any personal property of the tenant in the dwelling unit or the dwelling structure.

(b) Lawful actions. The following actions of a landlord or a person acting at the direction of a landlord directed to a tenant or a tenant's personal property do not constitute a residential lock-out:

(1) eviction by a sheriff or other lawfully deputized officer acting in his or her official capacity after a judgment for possession has been obtained through the Forcible Entry and Detainer provisions of the Code of Civil Procedure;

(2) entry after a tenant has abandoned a dwelling unit, as defined in Section 15 of this Act;

(3) actions in accordance with a court order entered pursuant to the Illinois Domestic Violence Act of 1986, Article 112A of the Code of Criminal Procedure of 1963, the Civil No Contact Order Act, or any other statute or provision of law providing relief to a victim of domestic or sexual violence;

(4) temporary interference with possession:

(A) to make needed repairs or to conduct an emergency inspection, as necessary and only as provided by law and with proper written notice at least 24 hours in advance of the interference;

(B) to make needed repairs or perform maintenance elsewhere in the dwelling structure, for practical necessity, because the nature of the work or a problem that has arisen unexpectedly requires access, provided that proper written notice of explanation is provided to the tenant no later than 2 days after the entry; or

(C) to address an emergency or for a practical necessity, provided that proper written notice of explanation is provided to the tenant no later than 2 days after the entry.

(c) It is an affirmative defense to an alleged violation of this Act if the circumstances concerning the alleged violation are within one of the circumstances described in subparagraph (A), (B), or (C) of paragraph (3) of subsection (b) of this Section 20 and the landlord gives the type of written notice required by the applicable subparagraph (A), (B), or (C) of paragraph (3) of subsection (b) of this Section 20.

(d) In addition to any other remedy supplied in this Act or under another law, if a landlord performs a residential lock-out, the tenant may file suit in the circuit court and upon proof of a violation shall be entitled to both injunctive relief and monetary damages. If a landlord threatens or attempts to perform a residential lock-out, the tenant may file suit in the circuit court and upon proof of a violation shall only be entitled to injunctive relief. Injunctive relief includes, but is not limited to, restoration of possession of the tenant to his or her dwelling unit, personal property, utility service, and relief against future interference. Damages shall be either in the amount of 2 times the tenant's replacement costs, or 6 times the monthly rent for the unit, whichever is greater, plus the tenant's reasonable attorney's fees and costs.

Section 25. Effect on other laws.

(a) More protective laws. Nothing in this Act shall be construed to supersede any provision of any federal, State, or local law that provides greater protections than the rights established under this Act.

(b) Less protective laws. The rights established under this Act shall not be diminished by any State law or local ordinance.

Section 30. Prohibition on waiver or modification. The provisions of this Act may not be waived or modified by an agreement of the parties.

Section 99. Effective date. This Act takes effect upon becoming law."

There being no further amendments, the foregoing Amendments numbered 1 and 3 were ordered engrossed; and the bill, as amended, was held on the order of Second Reading.

At the hour of 3:50 o'clock p.m., Representative Currie moved that the House do now adjourn until Thursday, February 23, 2006, at 11:00 o'clock a.m.

The motion prevailed.

And the House stood adjourned.
